

# Sun Goes Down

Nesian Mystik

Awa (Chorus)

My baby

please don't leave me now

kiss me till the sun goes down

Please don't leave me now

kiss me till the sun goes down

goes down

goes down

Kiss me till the sun goes down

goes down

goes down

Kiss me till the sun goes down

Sabre (Verse one)

Told the crew I'm out, off to the other side of town

info on a need to know, keep it on the low now

one more day, then I'm on my way

trying to make the most still seeing your face

don't want think about it rather stay in denial

pretend it ain't a fact at least for the meanwhile

but for the moment being we in our own world

make me feel like jay z you must be my dream girl

(Chorus)

Junz (Verse 2)

Yeah! Touchdown, destination abroad

vision of homebase way heavy on my thoughts

intiate distraction, match fashion, action,

Step on scene, G double E makes is happen

I think you're hellava, hellava if it's cool,

Holla at a brother for another rendevous,

I'm sending my love and I'm a seal it with

a kiss,

I aint never had a love like this.

(Chorus)

Awa (Bridge)

No tears

That's what I keep saying in my head

Trying to hold it together

Scared I might lose you forever, and ever

Oldwun (Verse 3)

So understand me when I wanna kiss n caress

gotta move your body closer,

love me unlike the rest

it feels so right,

she be why me heart melt like ice

in de middle of de night,

make de naughtiness nice

so let me work it, work it,

while you twurk it, twurk it

got me mind overtime thinkin dirty, dirty

I know you feel the vibe when we together

ha'u ke ta ki 'alu 'o 'eva 'eva
