

# Waiting On You

Nesian Mystik

[Verse 1: Oldwun]

Either you is, ya ain't, you will, ya won't  
Ain't no half steppin the question, either ya do, you don't  
Ain't no ultimatum subsidin the under lyin point  
Need you back to earth with me like a flip of a coin  
It's flippin annoying, but you the ying to my yang  
Love songs vouch with me everytime that they're sang  
But I can't keep waiting in vain for nobody  
If you can't give me a yes or a no then I'm sorry

[Chorus: Awa]

Just make up your mind  
I can't waste my time  
Waiting on you  
Just make up your mind  
I can't waste my time  
If this ain't for you

[Verse 2: Junz]

Yeah... Like PCD I hate this part right here,  
So baby talk to me cause we gotta be clear,  
You and I got history, so why ain't this in the past,  
Trying to pursue my dream be the reason I ask,  
Cause my times running like sand through the hour glass,  
I ain't frontin' this could be my last chance,  
I ain't taking no breaks, accepting no rainchecks,  
So where do we go next.

[Chorus]

[Verse 3: Sabre]

Questions are many answers are none  
Words escape defining what we have now more of a Ho-Hum  
Honey got me reeling from the lines I cast  
You're a catch but I can't miss the boat if you don't want to dance  
Takes two to tango I ain't stepping on your toes  
Or leading in a direction that you don't want to go  
I got a one way ticket and I ain't turning back  
So if you can't handle the heat best hit the road jack  
Make up your mind start with the foundation  
Dust off regard and be real no hesitation  
Don't powder the truth, this lifestyle ain't for the faint of heart  
If you with me grab a paddle man and let's make a start  
Or make an end depart like Noah's ark  
Two by two if you ain't the one then disembark  
So is it Bon voyage or say la vee?  
Either way times up what will it be

[Bridge x2: Junz]

Do you know what you want love, it's confusing  
You were down, now your pick-n-choosing  
Be real, chill with the games  
Here when I say, can't deal the pain.

[Verse 4: Oldwun]

You drivin me crazy with if, but's and maybe's  
Claim it's a rare occurrence, happens on the daily  
Gimme some leeway, somethin that's certain,  
End of the day you the only one that's hurtin  
I'm tryna understand you, but I can't read your mind  
Why can't you be more decisive, and stop wastin my time  
Agree to disagree my point you can't fathom  
Can only take so much of in between answers

[Chorus: out]
