Follow Me  
To A Place  
Where we've never been before  
Somewhere where we've never been before  
Somewhere where we've never been before  
Follow Me  
To A Place  
Where we've never been before  
Somewhere where we've never been before  
Somewhere where we've never been before  
You have never ever had  
A time like this before  
I want to believe  
I want to believe  
I want to believe  
Such an unstoppable belief  
I want to believe  
I want to believe  
I want to believe  
I want to believe  
You have never ever had  
A time like this before  
There ain't no place I'd rather be  
Than here with you and me  
There ain't no place I'd rather go  
You have never ever had  
A time like this before  
There ain't no place I'd rather be  
Than here with you and me  
There ain't no place I'd rather go  
You have never ever had  
A time like this before  
I want to believe  
I want to believe  
I want to believe  
Such an unstoppable belief  
You can't take the music away no  
You can't take the music away from me  
You can't take the music away no  
You can't take the music away from me  
You can't take the music away now  
You can't take the music away from me  
You can't take the music away no  
I want to believe  
I want to believe  
I want to believe  
Such an unstoppable belief  
I want to believe  
I want to believe  
I want to believe  
Such an unstoppable belief  
There ain't no place I'd rather be  
Than here with you and me  
There ain't no place I'd rather go  
You have never ever had  
A time like this before  
There ain't no place I'd rather be

Than here with you and me  
There ain't no place I'd rather go  
You have never ever had  
A time like this before
