

Angelina

Neurotic Outsiders

She found a sucker for an easy ride
She got a taste for the easy life

But there ain't no answer
For a dancer in disguise
You amuse me darling

Oh Angelina
Oh oh oh -- have you seen her
Oh Angelina
The queen of misdemeanor

Well, there's a sunset billboard that's your life
How many times can you go under the knife

Your face is made of plaster
The Corvette won't go faster
Don't you know that I know you darling

Oh Angelina
Oh oh oh -- have you seen her
Oh Angelina
The queen of misdemeanor

Oh Angelina
Oh oh oh -- have you seen her
Oh Angelina
The queen of misdemeanor

I got so used to seeing you
Where would we be without you
I would hate to see you move
Angeline, Angeline

You know there ain't no answer
For a dizzy dancer in disguise
You can't help it darling

Oh Angelina
Oh oh oh -- have you seen her
Oh Angelina
The queen of misdemeanor

Oh Angelina
Oh oh oh -- have you seen her
Oh Angelina
The queen of old Noxema (tm)
