Darkness/Influence

Neuroticfish

You are the slaves of the modern ages Raised to be patient and to agree You're only able to turn the pages But you have forgotten how to read

You are dancing to the sound of deception A product that we have designed You are dancing to the sound of deception

You are dancing, awaiting solutions
Reflecting what we left behind
You are dancing to the sound of deception

You are deceived by the modern ages You throw away your dignity You are a part of different stages Simplified by productivity

You are dancing to the sound of deception A product that we have designed You are dancing to the sound of deception

You are dancing, awaiting solutions Reflecting what we left behind You are dancing to the sound of deception

You are dancing to the sound of perfection The moments that we have combined You are dancing to the sound of perfection

You are dancing, awaiting solutions
In doses that we have defined
You are dancing to the sound of deception
