

Snow Song, Pt. 1

Neutral Milk Hotel

Cindy smiles in overcoats
She says, "Please stay awhile, like ice cream floats and dreams
And I will fill your heart with boats and bells and beans and c
andy-appled everythings
Bells and beans and candy-appled everythings..."
Cindy skips my trampoline
With toys and horns and bouncing things
And even the most silent must sing a song of love
Yes, even the silent they must sing a song of love
oh, oh

Unhappy girl, she's spinning
Through strings in her curls
And it's only the beginning
Of a trip around the world
Cindy won't you smile
Cindy won't you sleep awhile
I feel I'm just a child
Sinking down one hundred million miles
oh, oh

Rain
Rain is a perfectly sculpted garden of wetness.
