Can't Stand It

Never Shout Never

Baby, I love you
I never want to let you go
The more I think about,
The more I want to let you know...
That everything you do,
Is super fuckin' cute
And I can't stand it

I've been searching for A girl that's just like you Cause I know That your heart is true

Baby, I love you
I never want to let you go
The more I think about,
The more I want to let you know...
That everything you do,
Is super duper cute
And I can't stand it

Let's sell all our shit, And run away To sail the ocean blue Then you'll know, That my heart is true yeah

Baby, I love you
I never want to let you go
The more I think about,
The more I want to let you know...
That everything you do,
Is super duper cute
And I can't stand it

You, you got me where you want me Cause I'll do anything to please you Just to make it through...
Another year

You, I saw you across the room And I knew that this was gonna Blossom into something beautiful. You're beautiful.

Baby, I love you
I never want to let you go
The more I think about,
The more I want to let you know...
That everything you do,
Is super duper cute
And I can't stand it

2x Baby, I love you
I never want to let you go
The more I think about,
The more I want to let you know...

That everything you do, Is super duper cute And I can't stand it

And I can't stand it No I can't stand it. No I can't snatd it.
