

## Damn Dog

## Never Shout Never

I can't believe that I could believe that  
I can't believe you left me for dead man

Cause I called you my friend  
My best friend at that  
I know that I'm loud man  
But give me another chance  
I promise to keep this damn snout shut for you  
But only for you  
Cause I love you

I should've seen the boredom in your eyes  
You dropped me off and you said your goodbyes

Cause dad I called you my friend  
My best friend at that  
I know that I'm loud man

But give me another chance  
I promise to keep this damn snout shut for you  
But only for you  
Cause I loved you

I saw man on the side of the road  
He said take my hand, that man threw me a bone

Cause one man's trash is another man's treasure  
The way that he made me feel was better then ever  
He told me he loved me  
He meant it forever

I love him cause he loves me  
And all I've ever wanted was to feel love
