

Did It Hurt

Never Shout Never

I've been waitin my whole life
For a someone like you
To go and pick me up
And take away my blues
It's been one hell of a year
In my own shoes
But I got some questions for you

Did it hurt when you fell from heaven?
Did it hurt just to know I was right here awaiting
Did you know? Did you know?
It was love from the first time we touched.

I've been waiting my whole life
For a someone like you
To go and steal my heart
Just the way you do
It's been one hell of a year
Here a waitin on you
So I got some questions for you

Did it hurt when you fell from heaven?
Did it hurt just to know I was right here awaiting
Did you know? Did you know?
It was love from the first time we touched.
