

## Did It Hurt

Never Shout Never

I've been waitin my whole life  
For a someone like you  
To go and pick me up  
And take away my blues  
It's been one hell of a year  
In my own shoes  
But I got some questions for you

Did it hurt when you fell from heaven?  
Did it hurt just to know I was right here awaiting  
Did you know? Did you know?  
It was love from the first time we touched.

I've been waiting my whole life  
For a someone like you  
To go and steal my heart  
Just the way you do  
It's been one hell of a year  
Here a waitin on you  
So I got some questions for you

Did it hurt when you fell from heaven?  
Did it hurt just to know I was right here awaiting  
Did you know? Did you know?  
It was love from the first time we touched.
