

Just the other day she was a little girl  
Taking over the world  
With her smile

But just the other day I saw that little girl  
Taking a tongue down her throat  
By a boy that didn't give a damn  
That she was only 15  
'Cause she was more than willing  
To take a chance,  
To find romance,  
To grow up fast

But I know she is so much better  
Than to give it all away  
To the first guy,  
First try,  
First lie,  
First goodbye

Just the other day she was a little girl  
Taking over the world  
With her laugh

But just the other day I saw that little girl  
Taking her time with him  
And I can't say I've ever been so proud  
That she is only 15  
But she is more than willing  
To take a chance,  
To find romance,  
To grow up fast

But I know she is so much better  
Than to give it all away  
To the first guy,  
First try,  
First lie,  
First goodbye
