

You make me happy whether you know it or not
We should be happy, that's what I said from the start
I am so happy knowing you are the one
That I want for the rest of my days, for the rest of my days
Through all of my days

You're looking so cool, you're looking so fly
I can't deny that when I'm staring you down right dead in the eye
I wanna try to be the person you want
The person you need, it's hard to conceive
That somebody like you could be with someone like me

I'm happy knowing that you are mine
The grass is greener on the other side
The more I think, the more I wish
That we could lay here for hours and just reminisce
Uh, oh, oh

You're looking so fresh, it's catching my eye
Why oh, why did I not see this before
The girl I adore was right in front of me
And now I'll take a step back and look in your eye
And ask why it took so long to see we're meant to be

I'm happy knowing that you are mine
The grass is greener on the other side
The more I think, the more I wish
That we could lay here for hours and just reminisce

On the good, the bad, the ugly
The smiles, the laughs, the funny
Or all the things we put each other through
It's for you, for you, for you

You make me happy whether you know it or not
We should be happy, that's what I said from the start
I am so happy knowing you are the one
That I want for the rest of my days, for the rest of my days

I'm happy knowing that you are mine
The grass is greener on the other side
The more I think, the more I wish
That we could lay here for hours and just reminisce
Uh, oh, oh
