

Honey-Dew

Never Shout Never

Good bye baby
I will miss you so
So long darling
I've got to let you go
Sorry my sweet symphony
I just can't follow through
I gotta move on, on
On to someone new

And so do you
So good bye
Good night to you
Honey dew, dew dew dew
Dew dew dew, dew dew dew...

Honey don't call me up
And try to make me cry
Cause it ain't gonna work like that
Cause girl I ain't the crying type

Boo-hoo oh do I gotta sho-bi-do-do-do
To make you move on, on, on to someone new
Honey dew, so good bye and good night to you

Honey dew, dew dew dew
Dew dew dew, dew dew dew dew

Dew dew dew dew dew dew dew...
[repeat till end]
