

## I Love You 5

### Never Shout Never

I love you one, a two, a three shoobeedoo.  
I love you four, that's more then I can afford  
and I can tell someday that I'm gonna say the truth.  
I love you 5

I've been walkin' around tryin' to figure out  
why I've been feelin' all these feelings that I'm feeling now  
and I've got more on my mind then I have on my plate.

I love you one, a two, a three shoobeedoo.  
I love you four, thats more then I can afford  
and I can tell someday that I'm gonna say the truth.

I love five times more then any boy from before,  
because all they cared about was whether you put out.  
And I truely believe, (truely believe)  
that this love could be (that this love...)  
and I can count five times off the top off my head where I suck  
ed it in  
cause you were hangin with him and I got something to say, I lo  
ve you all the same

I love you one, a two, a three shoobeedoo.  
I love you four, thats more then I can afford  
and I can tell someday I'm gonna say the truth.  
(yeaaaah)

I love you one, a two, a three shoobeedoo.  
I love you four, thats more then I can afford  
and I can tell someday I'm gonna say the truth.  
I love you 5 (ba ba bada) I love you 5 (ba ba bada) I love you
