

# Simplistic Trance-Like Getaway

Never Shout Never

I been thinking lately,  
that I think too much quite frankly,  
I just wanna get out this town  
And find a quiet place to be.  
A place where dreams do come true.  
A land made just for me and you.  
Lets just get out this town  
And find a quiet place to be.

It don't have to be too far away,  
Just a simplistic trance, like getaway.  
It don't have to be a place to stay  
Just a simplistic trance like getaway.  
Honey, lets just go  
And let go of what we know

I don't want to wake up  
From this dream that I have dreamt up.  
I just wanna get out this town  
And find a quiet place to be.  
A place where dreams do come true.  
A land made just for me and you.  
Lets just get out this town  
And find a quiet place to be

It don't have to be too far away,  
Just a simplistic trance, like getaway.  
It don't have to be a place to stay  
Just a simplistic trance like getaway.  
Honey, lets just go  
And let go of what we know.

Honey-dew, I wouldn't trade you for the world.  
You are my dream that has come true.  
You give me opportunity to recreate reality  
Into a place where we are free  
To dance and sing eternally.  
You are the missing half of me.  
These moments tun to hours,  
Hours turn into days  
Turn into weeks, turn into months  
turn into years,  
Turn into life times with you dear.

It don't have to be too far away,  
Just a simplistic trance, like getaway.  
It don't have to be a place to stay  
Just a simplistic trance like getaway.  
Honey, lets just go  
And let go of what we know
