

I know that I've been dancin' around the truth
Tell me what the hell I'm supposed to do
And I, I'm a little bit aggitated
With a slight scent of denial

I'm callin' all the time I know I interrupt
But it hurts when all I hear is you hangin' up
And (la da da da da da da) I won't try that again
I'm callin' all the time I know I interrupt
But it hurts when all I hear is you hangin' up
And (la da da da da da da), I won't try that again

La la la la la la la la la la la la
La la la la la la la la la la la la

Everybody's going to the party and we're having a good time
And I'm feeling alright tonight with a better judgement
Everybody's going to the party and we're having a good time
And I'm feeling alright tonight with a better judgement
Everybody's going to the party and we're having a good time
And I'm feeling alright tonight with a better judgement
Everybody's going to the party and we're having a good time
And I'm feeling alright tonight with a better judgement
A better judgement

I'm callin' all the time I know I interrupt
But it hurts when all I hear is you hangin' up
And (la da da da da da da), I won't try that again
