

# Trouble

## Never Shout Never

I'm in trouble  
I'm an addict  
I'm addicted to this girl  
She's got my heart tied in a knot  
And my stomach in a whirl

But even worse  
I can't stop calling her  
She's all I want and more  
I mean damn  
What's not to adore?

I've been playing too much guitar  
I've been listening to jazz  
I called so many times  
I swear she's going mad  
And that cellular will be the death of us  
I swear, I swear

And oh  
O-oh, o-oh, o-ooh  
Oh

I'm running my mouth  
Just like I got her  
But I surely don't

Because she's so  
O-oh, o-oh, o-ooh  
Rock 'n roll  
And out of my league  
Is she out of my league?  
Let's hope not

I'm in trouble  
I'm so cliché  
See that word just wears me out  
Makes me feel like just another boy  
To laugh and joke about

But even worse  
I can't stop calling her  
I love to hear that voice  
And honestly  
I'm left with no choice

I've been playing too much guitar  
I've been listening to jazz  
I called so many times  
I swear she's going mad  
And that cellular will be the death of us  
I swear, I swear

And oh  
O-oh, o-oh, o-ooh  
Oh

I'm running my mouth  
Just like I got her  
But I surely don't

Because she's so  
O-oh, o-oh, o-oh  
Rock 'n roll  
And out of my league  
Is she out of my league?  
Let's hope not

And oh  
O-oh, o-oh, o-oh  
Oh, oh
