I been packin' my bags
I'll be headin' down south by the time..
Graduation rolls around
Where the weather is cooler and the people are
Fresh

I'll be pondering life,
Doin' my time on the road,
Pedal to the medal in the 1999,
Ford.

And all my life in one place
I've done my time but I've
Lost the race

I've been working my ... off,
Tryin' to find the part of me my friends all miss
But honestly,
I'm kinda fed up with
All this advise,
But never a sign,
Should I stay or should I go away?
All to find..the better half of me

I got this new change,
I'll be sendin' souvenirs
To all my friends up north,
Where the weather is cooler and the people are
Dull

I'll be pondering life,
Doin' my time on the road,
Pedal to the medal in the 1999,
Ford.

And all my life in one place
I've done my time but I've
Lost the race

I've been working my ... off,
Tryin' to find the part of me my friends all miss
But honestly,
I'm kinda fed up with
All this advise,
But never a sign,
Should I stay or should I go away?
All to find..the better half of me
