Miss World

Neverending White Lights

```
I'm miss world
Somebody kill me
Kill me pills
No one cares my friends
```

I'm miss world Watch me break And watch me burn No one is listening My friends

```
I've made my bed I'll lie in it I've made my bed I'll die in it I've made my bed I'll lie in it I've made my bed I'll die in it
```

Cute girls watch When I eat ether Suck me under Maybe forever My friends

```
Now I've made my bed I'll lie in it
I've made my bed I'll die in it
I've made my bed I'll cry in it
I've made my bed I'll lie in it
I've made my bed I'll lie in it
I've made my bed I'll die in it
I've made my bed I'll cry in it
I've made my bed I'll cry in it
I've made my bed I'll lie in it
I've made my bed I'll lie in it
My friend
```
