

# Do You Miss Me

Neverstore

Chorus

Do you miss me when I'm not around?  
'Cause I think about you all the time  
And I'm not quite sure just what to say  
All I want is you to feel the same

Verse 1

I heard the radio  
Playing the song I wrote  
A song I wrote about us

Another day goes by  
I'm picturing your smile  
Stuck with nostalgia this time

I'm oceans away from home  
Saying 'good night' moon  
I'm wishing you were here, too

Chorus

Do you miss me when I'm not around?  
'Cause I think about you all the time  
And I'm not quite sure just what to say  
All I want is you to feel the same

I am falling for you  
Do you miss me when I'm gone?  
I am falling for you (Do you miss me?)

Verse 2

We live our different lives  
Am I lost, am I found?  
You can assume that I am on my own

The stars are out tonight  
And you're the brightest one  
Guiding me back home

I'm a sailor in my heart  
Save in harbor but that's not what I was made for

Chorus

Do you miss me when I'm not around?  
'Cause I think about you all the time  
And I'm not quite sure just what to say  
All I want is you to feel the same

I am falling for you  
Do you miss me when I'm gone?  
I am falling for you (Do you miss me?)

#### Bridge

Is this love? Well, I don't know  
Haven't felt this way before and all I know is I want more  
If this love then let it show  
Haven't felt this way before and all know is I want more  
All know is I want more  
All know is I want more  
All know is I want more

#### Chorus

And I'm not quite sure just what to say  
All I want is you to feel the same  
Do you miss me when I'm not around? (Feel the same)  
'Cause I think about you all the time  
Do you miss me when I'm not around? ('Cause I miss you)  
'Cause I think about you all the time (Do you miss me?)  
Do you miss me when I'm not around? (Cause' I miss you)  
'Cause I think about you all the time
