

# The Real

Nevertheless

Here I am  
Tonight  
I can't stand  
To fight  
This feeling of despair  
I hide  
I wonder are you there?

Sometimes  
(Sometimes, we all wonder)

Whoa!  
This is you, this is me  
Whoa!  
This who we're meant to be  
We are the real the truth is unchanging  
This is a call to hearts that are feeding  
Whoa!

So it is  
Sometimes  
That I feel  
This life  
Is far beyond repair  
But I  
I know that you are there

Tonight  
(Tonight, I won't give up)

Whoa!  
This is you, this is me  
Whoa!  
This who we're meant to be  
We are the real the truth is unchanging  
This is a call to hearts that are feeding  
Whoa!

Keep on breathing  
Don't you let this take you down  
Don't stop breathing

Whoa!  
This is you, this is me  
Whoa!  
This who we're meant to be  
We are the real the truth is unchanging  
This is a call to hearts that are feeding  
Whoa!
