

Shoot The Offshoot

New Bomb Turks

Oh yeah,
The boys look up
The girls look down
Don't you just feel like a face in a crowd
You don't fit in, never could, never did, never what you're supposed to be
But tell me, what are you supposed to be?

Are you gonna waste your time?
Or are you gonna use it
Are you gonna shoot the offshoot?
And are you gonna lose your mind?
Or are you gonna use it
Are you gonna shoot the offshoot?
Yeah.

Oh yeah
Mediocrity is the enemy
It's your next door neighbor [?] since 1993
[?] in the face of a crowd
I am not original, but I'm not the same

So are you gonna waste your time?
Or are you gonna use it
are you gonna shoot the offshoot?
Are you gonna lose your mind
Or are you gonna use it
Are you gonna shoot the offshoot?
Shoot it.

Well are you gonna waste your time
Or are you gonna use it
Are you gonna shoot the offshoot
Yeah are you gonna lose your mind
Or are you gonna use it
Are you gonna shoot the offshoot

Well are you gonna shoot?
Are you gonna shoot?
Are you gonna shoot the offshoot?
Are you gonna shoot?
Are you gonna shoot?
are you gonna shoot the offshoot?
