

Beautiful Dancer

New Boyz

You see your more than beautiful, there is no metaphor that
Can describe what my eyes see
So don't you take this personal but had to let you know that
There's just one thing I came to see
So won't you bounce it up and down, bounce it up and down, bounce
it up and down for me
So won't you bounce it up and down, bounce it up and down, bounce
it up and down for me
I don't mean to seem disrespectful but i've been looking at your
hips and felt so curious about what they can do its stuck in
my head and I can't seem to let go
