You're a dime (so beautifu) Top of the line (so unusual) Words can't define, You're running through my mind all day I'm so happy you're mine (so beautifu) Top of the line (so unusual) Now I think it's time, hey Shawty I hope you don't take this the wrong way Girl you look better with the lights off, Better with the lights off ooh Girl, you look better with the lights off, Better with the lights off ooh Better with the lights off Hey Miss America, what you look so sad for? Sweetheart , you only live one time So put your fantasies on flash forward Like gone speed me up, got deadline, cause you need me done I hate your type, I love you too, I bite your swag, cause I wanna do you Can't blame you babe Obama your work clothes, girl make a change. Lingerie, right like that, that lalala, Make your eyes roll back I mean you already fine though, I just wanna see you with the lights off Every guy wanna know how it is To clap off the lights and turn Khloe to Kim You're a dime (so beautifu) Top of the line (so unusual) Words can't define, You're running through my mind all day I'm so happy you're mine (so beautifu) Top of the line (so unusual) Now I think it's time, hey Shawty I hope you don't take this the wrong way Girl you look better with the lights off, Better with the lights off ooh Girl, you look better with the lights off, Better with the lights off ooh Better with the lights off Drive off to take my girl to have a nice day. Shit was right so I let her hang my way. You look cute girl, what you wanna do girl? Drive to my house cause it's only me and you, girl. I'm checking her out, she had to put her swag on Acting too happy saying she ain't going back home I'm like wow, Whatever you say, but whatever you plan gotta be done at 8

Party at my place, of course you welcome girl,
You ain't taking up space
We get there, and Shawty still looking right,
She attacked me, but wait let me dim the lights
You look different, she like boy stop it
Naw, I ain't playing actually you more poppin.
I said shocking. No that's really raw.
I don't know baby, but even with the lights off...
