

# Break My Bank

New Boyz

She make me wanna  
(break my bank)  
Give everything I got  
Just to get a shot  
(make it rain)  
Where my money at  
Where my money at

(break my bank)  
Just forget about the tag  
Throw it in the bag  
(make it rain)

Everyday im spending more on her  
I dont buy shit  
Like I barely hold the door open  
And everytime I say this  
Shit I always get a ...  
When it comes to taxes  
A nigga gon' be done for.

Break my bank  
Give everything I got  
Just to get a shot  
(make it rain)  
Where my money at

Ok  
The start of my day I took  
Her on a date

Had to scrape for some Change  
So I went to the bank  
But when I see her  
She was so 'damn fine' like that  
So I hit it right back  
Pull out more stacks

Over drawn, low funds

Its, its like i've done  
But I put her right back  
Cos your boy is sprung  
See she is so 'damn fine'  
Got me spending  
All this cash and its  
Going to fast I need to watch my ass

Break my bank  
Give everything I got  
Just to get a shot  
(make it rain)  
Were my money at  
Were my money at

(break my bank)  
Just forget about the tag  
Throw it in the bag  
(make it rain)
