

# Miss Me Kiss Me Lick Me

New Boyz

Dolla sign H, h stands for hooligan  
Miss me kiss me now she wanna lick me  
Never eva broke so you ain't gotta fix me  
Skinny jeans keep a nigga biscuit from a slipping  
Biscuit headed bone nigga now he just a pip squeek  
Mr hita o nigga now he just a todla  
To all hip hoppa's I am ya fatha  
You got a problem I am ya docta  
You ride a poppa when you see a monsta  
And I am a mess, call me dash d cadet here to serve and protect  
O and do not forget I'll murder your flesh beat it over again and then murder your best friends  
Ha put it in the air keep your face down as you pull your underwear  
And if your friends want to join they can meet me under there  
Cause I might go down if it's clean under there

Aye girl you nasty  
Girl you nasty

Miss me kiss me now she wanna lick me  
Seductive, she got me walkin round with a stiffy hickys  
Let em no that she with me  
She pinned me on the wall had me singin like whitney  
Yea she threw that ass back while her friends up under was lickin my sack  
Aye babe you nasty  
And when we in the room yea I got you all trashy  
And when you gurt me I always start laughing a little  
You do it so good you make tha shit tickle  
Oh ooh I really love it  
Really reals baby fuckin while I'm clubbin  
Beat it so good like a nigga billy clubbed it  
Loaded in this bitch yea I feal like david ruffman  
Yea I love deep temptation  
You no I got spite you impatiently waiting

Aye girl you nasty  
Girl you nasty

Lick me  
She licked me  
And now she wanna kiss me  
Bitch back back I don't no where your lips be  
It seems to be at night  
Sorry to say lil mama I'm call it a night  
You can call whoever we can get it poppin tonight  
Skinny jeans on but I'm still ready to fight  
Warrior earning my survival stripes  
I feed off pain killers strong about the night  
Poppin this now I'm headed to the club tonight  
To see what chick is my next victim  
She spotted me now she wanna fuck me on sight  
I tell her bring your friends she can suck me all night  
You nasty girl  
Man I no you did it  
You swallowed no spittin garitness  
Now it's time to leave bye no hugs or kisses  
Thanks for the sex it was great I admit it
