

Start Me Up

New Boyz

How did I end up in this club?
Man I swear I'm goin crazy
And I can not find my phone
And I need to call me baby
If she saw what I was doin
She would probably wanna drop me
But I can not stop right now
Cause-cause right now this party got me feelin goooood

Party party party people come say whassup(WHASSUP!)

So a sexy sexy lady's gonna show me love
Yeah baby baby start me up...
