

# Start Me Up

New Boyz

How did I end up in this club?  
Man I swear I'm goin crazy  
And I can not find my phone  
And I need to call me baby  
If she saw what I was doin  
She would probably wanna drop me  
But I can not stop right now  
Cause-cause right now this party got me feelin goooood  
Yeah, let's do it up tonight  
Ain't worryin about tomorrow  
Man I'm livin life l-l-llike a baller shouuuuld  
Yeah tell me we ain't goin hard  
This goes out to all of y'all (y'all, y'all, y'all, y'all)

Party party party people come say whassup(WHASSUP!)  
Yeah baby baby start me up  
So a sexy sexy lady's gonna show me love  
Yeah baby baby start me up...
