## **16 Beats**

**New Buffalo** 

By my side And I like Where've you been Long lost angel Ride my bike So much faster Sixteen beats And I'm back with you There's a house Inside different rooms I've thought I can see that There's one door Never opened I'm inside Asking questions Why can't I Play my songs for you You know I tried last night This is all I came up with Yeah I like your style Styling me I want to smile So bad, please you make me feel And I'm feeling you But there's One thing I've got to say Why can't I Play my songs for you You know I tried last This is all I came up with Yeah Why can't I Play my songs for you You know I tried last This is all I came up with Yeah Why can't I Why can't I Why can't I Why can't I
