

## Emotional Champ

New Buffalo

We are one, we are  
Two people inside one body  
Our own disgrace  
Emotional champ so sorry

No sleep tonight  
Only sweet reminders  
Say keep tonight  
Cause it's all I wanna  
Do

We are one we are  
Shaping signs from nothing  
We are done we are  
Forgetting this means everything

No sleep tonight  
Only sweet reminders  
Say keep tonight cause it's all I wanna  
Do

All I wanna do  
Emotional champ so sorry  
All I wanna do  
Emotional champ so sorry
