

Can You Stand The Rain

New Edition

Ooh Yeah Ooh.
On a perfect day I know that I can count on you.
When that's not possible tell me can you weather the storm

Cause I need somebody who will stand by me
Through the good times and bad times
She will always, always be right there

Sunny days- everybody loves them.
Tell me baby, can you stand the rain
Storms will come this we know for sure
Can you stand the rain

Love unconditional I'm not asking just of you.
And, girl to make it last I'll do whatever needs to be done.

But I need somebody who will stand by me.
When it's tough she won't run.
She will always be right there for me.

Sunny days- everybody loves them.
Tell me, baby, can you stand the rain? Can you stand it, oh?
Storms will come, I know, I know, all the days wont be perfect.
This we know for sure. But tell me can you stand it
Can you stand the rain
Can you stand the rain
Can you stand the rain No pressure, no pressure from me baby
Cause I want you, and I need you and I love you girl.

Tell me, baby, can you stand the rain?
Will you be there for me
Come on baby lets go get wet
