

# Every Little Step

New Edition

I can't sleep at night, I toss and turn  
Listenin' for the telephone  
But when I get your call, I'm all choked up  
Can't believe you called my home

And as a matter of fact, it blows my mind  
You would even talk to me  
Because a girl like you is like a dream come true  
A real life fantasy

Don't matter what your friends try to tell you  
We will even fall in love  
And we will be together in any kind of weather  
Just like that, just like that

Every little step I take, you will be there  
Every little step I make, we'll be together  
Every little step I take you, will be there  
Every little step I make, we'll be together
