## **Kinda Girls We Like**

**New Edition** 

Ooh, ooh, ooh Ooh, ooh, ooh Ooh, ooh, ooh

We came out before Now we're back again Singin' the kinda girls we like Now is this the end? We're about to blast off So hold on real tight While Michael tells you The kinda girl he likes

Hey, I like a girl who likes to tease Not the kinda girl who's always there to please The kinda girl who makes up her mind Who's ready at her given time

The kinda girl whom you always think about That's the kinda girl whom you can't be without I'm Michael B, that's the girl for me She's the only girl I could never leave

You've heard one description Now, listen to this Because this one for sure You can't afford to miss So turn up the volume And open your ears Because this next description Is for you, my dear

Well, my friends call me Flash B And here's the kinda girl that's just for me I like a girl that is right on time She's also sweet and she's oh, so fine

I like a nice young lady with beautiful hair So if you want to be with Bob you gotta care She give me her love, she give me her time This kinda girl is mine all mine

You've heard two descriptions Now here comes the third And it's liver than anything That you've ever heard We love all you girls without any doubt And as long as you know this You won't feel left out

I like a nice young lady with class and style And when I'm with her she makes it worth my while You know that, you see, has to be Just the right girl for Ricky

I like a nice young lady who likes to have fun So if you fit this description

I said, "Hey girl, don't hesitate If you want me, I'll be your playmate"

I'm Ronnie D and I'd love to meet A girl that would knock me off my feet A girl that's fine and divine A girl that wants to be all mine

A girl that can grant my every wish Is the girl I want to love and cherish I promise you that if you are true Tell me girl if it could be you

You've heard the last We're running out of time But wait just a minute there's one last line Now listen to this and keep that in mind And we're sure that this next rap Will blow your mind

Yes, I like a girl that will stay with me A girl that's a pretty sight to see A girl with style and much finesse A girl that's smart and wants the best

I like a girl with a pretty smile A girl that stands out in a pile But most of all on top of all above Ralph needs a girl that he can love

We came out before Now, we're back again Singin' the kinda girls we like Now is this the end? Now I'm sure you'll agree Our deep words are divine But if you fit the description You'll do just fine fine fine fine fine
