

# Leave Me

New Edition

I know it comes as no surprise, that I....  
am so in love with u  
When I think of us two, I start feelin' blue  
Somethin' that I gotten used to  
But lately.. I must admit  
Times have been been hard  
Put a strain and pain on my heart  
As much as it hurts to say these words  
I think that it's best for u to

Leave me... Live ur life  
Don't worry.. I will be alright  
In no time.. u'll find someone  
who's better than I  
Go now.. don't u cry  
I'll always.. be right by ur side  
Maybe someday we'll get another try  
Oh yeah...

It seems as tho.. Everytime I speak  
Ur name.. I get weak  
Cuz I imagine, before I go to sleep  
That u are right here with me  
Somebody told me, u can't appreciate..  
What u try to til... it is gone  
But they were so long, cuz I have cherished u  
It's just that I'm not the one... u care...

Leave me... Live ur life  
Don't worry.. I will be alright  
In no time.. u'll find someone  
who's better than I  
Go now.. don't u cry  
I'll always.. be right by ur side  
Maybe someday we'll get another try

Deep down inside  
(Please here me now)  
You expect so much  
(that's why i'm hurting inside)  
And I don't even  
(No.. not at all)  
Til Appreciate for my average girl  
(It feels like we've grown apart)  
(And I dont know if we... could handle)  
the trouble.....  
(If not it's gonna hurt me to see u)

Leave me... Live ur life  
Don't worry.. I will be alright  
In no time.. u'll find someone  
who's better than I  
Go now.. don't u cry  
I'll always.. be right by ur side  
Maybe someday we'll get another try

Leave me... Live ur life

Don't worry.. I will be alright  
In no time.. u'll find someone....
