Yeah

I'm sitting here, writing this letter,
Hoping it will make you feel better.
We've been through the sunshine and the rain.
And I never realized you were in pain, yeah.
Someone has mistreated you,
Left you all alone and blue.
And don't you know it hurts me, too,
And, baby, I know my life won't be the the same.
And if you hear me call your name...

Shoo ba dee bop
Maryann, (Shoo ba dee bop. Shoo ba dee bop) you will never need another.
Shoo ba dee bop
Here I am. (Shoo ba dee bop. Shoo ba dee bop) I will be your real lover.

Someone else's plans and his schemes
Left you with these broken dreams-
Dreams that keep you up all night, yeah.
I know my life won't be the same.
And if you hear me call your name, girl.

Shoo ba dee bop
Maryann, (Shoo ba dee bop. Shoo ba dee bop) you will never need another.
