

Mr. Telephone Man

New Edition

Mr. Telephone man
There's something wrong with my line,
When I dial my baby's number
I get a click every time
Mr. Telephone Man
There's something wrong with my line
When I dial my baby's number
I get a click every time

When I dial 661 Computer Service
She said "Hello may I help you
Please?"
I told her something must be wrong
With my phone
Cause my baby wouldn't hang up
On me

Mr. Telephone Man
There something wrong with my line
When I dial my baby's number I get a
Click every time

Mr. Telephone Man
There something wrong with my line
When I dial my baby's number I get a
Click every time

She let the phone ring 20 times
Before she answered
Let me tell you what happened then
A minute later I got the operator
Saying please hang up and place
Your call again

Mr. Telephone Man
There's something wrong with
My line
When I dial my baby's number
I get a click every time
Mr. Telephone Man,
Soemthing's wrong with my line
I try to dial her number
I get a click every time

Some strange man is on the
Telephone
He keeps telling me my baby
Ain't home
She got no party line
Situation blowing my mind
Oh, I just can't take this anymore

Please operator
See what you can do,
I dialed the right number
But I still couldn't get through
Could you just check the line

Just one more time if you can
I'm pretty sure her phone
Wouldn't be answered by no man

Mr. Telephone Man
There's something wrong with
My line
When I dial my baby's number
I get a click every time
Mr. Telephone Man,
Soemthing's wrong with my line
I try to dial her number
I get a click every time

Must be a bad connection
I give her my love and affection
I just can't take this no more
This situation blowing my mind
Blowing my mind
Can't get my baby on the line
