

# Pass the Beat

New Edition

Shake shake shake it!...

Shake it  
And don't break it  
I took your mother nine months to make it  
Shake it  
And don't break it  
Ha, ha, ha  
[x2]

Who schools talking the word that we spread?  
Its a party up there, everyone will be there  
We tell you what the word say is that  
All the candy girls of the world will be so sweet now..

Pass the beat! (pass the beat)...

Now Mike told Bobby  
And Bobby told Ricky  
Well Ricky told Ronnie  
And Ronnie told Ralph  
That we're candy boys with soul  
About to rock the party lets go,  
Lets move along be strong  
Just dance, take the chance  
Got the feelin', I really get the feelin'  
Keep givin'

Rock the party lets go  
Rock the party lets go  
Rock the party lets go  
Rock the party lets go  
Rock the party lets go  
Lets get on with the show

Pass the beat  
Pass the beat  
Pass the beat  
Pass the beat  
Shake shake shake it!

Shake it!  
And don't break it  
It took your mother nine months to make it  
Shake it!  
And don't break it  
Ha, ha, ha  
[x2]

Now we're the poppin' kings  
So we must do our thing  
Make the ladies talk street  
Being lean, clean, and mean  
Put your pride aside  
And lets go with the flow  
Let yo' feelings show

Lets just rock this party,  
Shock this party,  
Take this party  
Lets make it to the party

Now I heard a word  
That the party will be jumpin'  
And the bass will be pumpin'  
Lookin' forward to somethin' heavy  
Maybe we can leave the scene  
With the girls of our dreams  
And we can all talk together, forever and ever, and ever

We said that we would get enough  
But we can't, cause our soul's been touched  
So lets do, what we came to do  
And prove that all this talk is true

Shake it!  
And don't break it  
It took your mother nine months to make it  
Shake it!  
And don't break it  
Ha, ha, ha  
Pass the beat!  
Pass it, pass it, pass it, pass it  
Pass the beat!

The JLOBE

So pass the beat  
Pass the beat  
Come on pass the beat...
