

Popcorn Love

New Edition

Don't you know, don't you know, don't you know
It's the real thing, girl

They say it's popcorn love
But it's more than that to me
Popcorn love
Just wait, they will see

It's popcorn love
Every morning, noon and night
Popcorn love

Don't you know, don't you know
It's the real thing, girl

When we go on those special dates
We're always holding hands
We're never, ever late
You're on my mind all the time

I keep thinking (I keep thinking)
Thinking (I keep thinking)
I keep thinking (Thinking of you)

Popcorn love

But it's more than that to me
Popcorn love
Just wait, they will see

Popcorn love
Every morning, noon and night
Popcorn love

Don't you know, don't you know
It's the real thing, girl

I go to school and then I come straight home
The first thing that I do is call you on the phone
The things you say, uh, really make my day
I need you, girl, in every kind of way

I keep thinking
I'm just thinking

I keep thinking (Thinking)
Thinking (Thinking)
Thinking (Thinking)
Thinking

That's right
That's right
That's right
That's right

Ah is for her personality
I said the A is for originality

And the other $\hat{A}^{\circ}P\hat{A}$ is for the perfect love she gives to me
The $\hat{A}^{\circ}C\hat{A}$ is just 'cause she loves me
And the $\hat{A}^{\circ}O\hat{A}$ means she's the only love I got
And the $\hat{A}^{\circ}R\hat{A}$ and the $\hat{A}^{\circ}N\hat{A}$, our love will never end

Well, I know, I know it's the real thing
Because she told me so
And I know, I know it's the real thing
And I'll never let her go

I just got to, I just got to have your love

Popcorn love
But it's more than that to me
Popcorn love
Just wait, they will see

It's popcorn love
Every morning, noon and night
Popcorn love

Popcorn love
It's more than that to me
Popcorn love
Just wait, they will see

Popcorn love
Every morning, noon and night
Popcorn love

Popcorn love
But it's more than that to me
