

# Something In Your Eyes

New Edition

Oh, yeah  
You like that  
So lay your head back  
Here we go  
You like that  
Feels good  
Oh, yeah

You ask me why I say why not  
Anything is possible and anything can be  
Therefore tonight I'll get you hot  
You feel the passion you never dreamed

And I know you feel I'm over-confident  
What kind of man could I be  
It's clear to see it's like animal attraction  
When you add it up it's just a matter of fractions, girl

Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on

If think you're dry, I say you're wet  
I can make it possible, I can make it true  
And all night long I'll make you sweat  
Gonna do a feelin' that long past overdue

And I know you think why so much confidence  
What kind of man must I be  
It's clear to see it's like adding and subtracting  
When you add it up, it's just animal attraction

Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on

Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on

So when I get inside and make you wet  
I'll lick you dry  
Make your body weak from all the body heat  
Just like a lion you'll hear me roar  
And then I beat into your body, make that body get weak some more  
I'll take you to the peak, I'll make you want to scream  
And like a lion you'll hear my body roar and roar and roar and roar and roar and roar

Ooh, ooh, ooh

Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on

Anything is possible and anything can be  
You can feel the passion you never ever dreamed of  
See it in your eyes, you're givin' me a sign  
And I knew it was on, I knew it was on

It was something in your eyes told, made me feel  
Something in your eyes and hey, I could see it  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on

Something in your eyes told me  
That you were lookin' for a man you could adore  
Something in your eyes are givin' me a sign  
And I knew it was on, I knew it was on
