

# When Will I See You Smile Again?

New Edition

I'm so sorry, baby, I never meant to hurt you. Please forgive me.

La da da...

Tears, I see, drop from your eyes. Tell me why you cry.

Guilt, I feel, when you look at me. Did I let you down?

Girl, you see that I, I apologize.

Tell me what to do to get through to you.

Girl, it's not the same. I knew I was to blame.

Just tell me, when will I see you smile again.

Tell me, when will I see you smile again? 'Cause I know I messed up, baby

And I know you're fed up, sugar.

Tell me, when will I see you smile again? 'Cause I know I messed up, baby

And I know you're fed up, sugar.

Promises, I know I made many times before, and I broke each one of them.

But I had to learn over and over again: don't hurt the one you love.

Girl, you see that I, I apologize.

Tell me what to do to get through to you.

Girl, it's not the same. I know I was to blame.

Just tell me, when will I see you smile again?

Tell me, when will I see you smile again? 'Cause I know I messed up, baby

And I know you're fed up, sugar.

Tell me, when will I see you smile again? 'Cause I know I messed up, baby

And I know you're fed up, sugar.

Look, baby, listen:

Please forgive me for all the wrong I've done.

You see, I just can't understand why I keep making this same kind of mistake

Over and over again. But there's one question that remains in the back of my mind, love.

And that is when will I see you smile again?

Tell me, when will I see you smile again?...
