

# Wildest Dreams

New Edition

I heard you like to ball alot  
And you like shoppin' at the mall alot  
Braggin' to your friends about what you got  
But all of that's just material  
Don't really mean a thing to me  
You should know that  
There's more to life than what you see  
Please believe it (oh oh oh)

You just don't care enough  
You always think somebody's gonna buy you stuff  
You never know who you might turn away  
You never know where real love could be

Those type of girls don't interest me  
You should know that  
There's more to life than what you see  
Please believe it (oh oh oh)

How I can give you diamonds baby  
I can take you 'round the world  
None of that is really what you need  
I just wanna give you something  
You can't put a price on  
And it can make you reach  
Beyond you wildest dreams

It doesnt't matter what they lace you with  
'cause all you seem to like is expensive Shh  
You can't use everybody that you meet  
'casue girl that's just not the way to be  
Don't play that game cause you won't last  
You will see that one day it's not about that  
Please believe it baby

You just don't care enough
