You ask me, you ask me how I got to know you Just by speaking on the phone? Isn't is crazy how the thought of my touch Wakes you up when you're alone?

Don't you believe everything you hear? Darling, focus on the prize Don't you hear me whisper in your ear? My darling, don't lose sight of my eyes

It's not time to let go, this is not how
It's supposed to end in my mind, my baby
Maybe our intentions were wrong from the start
So answer me, so we don't fall apart

I called 46 times
And you answered on the 47th
I called you 46 times
And you answered on the 47th

You tell me, you tell me, you've never felt so hard For an obvious candidate
You said you hate your last love
And it's soon enough that you will forget

Don't believe everything you hear Darling, I've never lied before Don't you hear me whisper in your ear? Forget him, you're what I'm waiting for

It's not time to let go, this is not how
It's supposed to end in my mind, my baby
Maybe our intentions were wrong from the start
So answer me, so we don't fall apart

You've even said yourself You're setting yourself up You've even said yourself That everyone would turn That everyone can turn

And you've even told yourself
That the floodgates would break
So why are you taking so long to answer?

It's not time to let go, this is not how
It's supposed to end in my mind, my baby
Maybe our intentions were wrong from the start
So answer me, so we don't fall apart
So answer me, so we don't fall apart
So answer me, so we don't fall apart

I called 46 times
And you answered on the 47th
I called you 46 times
And you answered on the 47th
