

Everything that could have went wrong, went wrong this year.  
Nothing recently has made me want to stand up and cheer.  
Everything you haven't said has finally come back to you.  
Now is not the time.  
I know you never liked any gifts I gave to you...  
This holiday is overrated.  
It turned out the way I expected.  
This holiday is one to forget.  
Another year, this time I'll regret that I spent too much time  
and money on you.  
Why do I only remember the bad times we had?  
I guess everything we do does reflect.  
Everything you wish you said, has finally come back to you.  
Now is not the time...  
I know you never liked any gifts I gave to you...  
This holiday is overrated.  
It turned out the way I expected.  
Another year, this time I'll regret that I spent too much time  
and money on you.  
I hope you spend it alone.
