

# Forget My Name

New Found Glory

Tell all my friends I'm dead  
I'm leaving you, this time its for good  
tell all my friends that I'm dead  
it won't be long before you forget my name

Can you tell  
that I'm losing myself  
I think I'm trying too hard to  
let it show  
to let you know  
Don't trace your footsteps back to me

Cause I've been gone for a long time  
waiting on the sidelines  
hoping for a chance to play  
well I thought I would never leave anything behind  
I also never thought I'd say

Tell all my friends I'm dead  
I'm leaving you, this time its for good  
tell all my friends that I'm dead  
it won't be long before you forget my name

Can you tell  
that I don't know myself  
I need someone to remind me  
to let it go  
please let me know  
Don't trace your footsteps back to me

Cause I've been gone for a long time  
waiting on the sidelines  
hoping for a chance to play  
well I thought I would never leave anything behind  
I also never thought I'd say

Tell all my friends I'm dead  
I'm leaving you, this time its for good  
tell all my friends that I'm dead  
it won't be long before you forget my name

And if I had the chance  
to do it all again  
I wouldn't expect anything less  
and if I had the chance  
to do it all again  
I wouldn't expect  
I wouldn't expect anything less

Tell all my friends I'm dead  
I'm leaving you, this time its for good  
tell all my friends that I'm dead  
it won't be long before you forget my name
