

Here We Go

New Found Glory

Just see he uses love for sex
And sure she uses sex for love
And they're both hoping for the best
I also have that dream you're thinking of

We place a blindfold on our eyes
Iron and gold appear the same
It's intense hope that makes us try
So we go on and play the game

And once again we get attached
And think we've found the answer
Here, here, here we go again

Ran into many walls
But I know I'll get that answer
Here, here, here we go again

We loved not wisely
We loved not wisely but too well

We're hoping she will be the one
But we never learn from our mistakes
Based on beauty, love soon dies
Then we make our move to separate

Yes, iron and gold appear the same
But one is costly to obtain
And I'll be the only one to blame
But if I resist I know I'll gain

And once again we get attached
And think we've found the answer
Here, here, here we go again

Ran into many walls
But I know I'll get that answer
Here, here, here we go again

We loved not wisely but too well
We loved not wisely but
Not wisely but too well

Yes, iron and gold appear the same
But one is costly to obtain
And I'll be the only one to blame
If I go on and play the game

And once again we get attached
And think we've found the answer
Here, here, here we go again

Ran into many walls
But I know I'll get that answer
Here, here, here we go again

Yes, here we go again

Yes, here we go again
Just when I
I get back for more

We loved not wisely
We loved not wisely but too well
