

We both dreamed a white fence
Would wrap our front yard
How my arms have held you all these years
Now I wake in the morning
And roll to find you
Damn you, sunshine and the shadows you make

R: If you don't love me anymore
If you don't love, you don't love me anymore
I'm gonna go out knowing I tried. Persistent
If you don't want me anymore
If you don't want, you don't want me anymore
Persistent so I know I tried
I did my best now I must survive and keep
Pushing on

I had a daughter as tall as I am
In my sleep I see the craziest things
Over her shoulder I saw you smiling
Now I don't want to wake up and it fades

R:

When I'd swim in the ocean
I'd miss your skin
So fair the summer would burn it
When I'd hike up a mountain
I'd miss your smile
You'd love the view from the top of it
I would be reminded every day
I would be reminded every day of my shame

R: (2x)
