

Short and Sweet

New Found Glory

I'm gonna make it easy
Because I haven't had much time to think
And figure out clever words to sing
Accurate enough for you
I'm gonna dumb this down
'Cause it's not even about me
I'll shout it out even though they'll say they've heard this al
l before

I don't deserve someone as beautiful as you
I don't deserve much of anything
I don't deserve someone as beautiful as you
Forgiving me and giving me as much as you do

I'm gonna take it easy
And not get to many details
Some moments better kept for you and I
But I'll keep up the pace
Not trying to overcompensate with savvy lines
It's as real as it can get
It's as real as it can get

I don't deserve someone as beautiful as you
I don't deserve much of anything
I don't deserve someone as beautiful as you
Forgiving me and giving me as much as you do

I don't deserve someone as beautiful as you
I don't deserve much of anything
I don't deserve someone as beautiful as you
Forgiving me and giving me as much as you do
As much as you do
As much as you do
As much as you do
I don't deserve much of anything
