

# The Great Houdini

New Found Glory

All dressed up  
And nowhere to go  
I think I'm taking this trip alone  
Thirty seconds till I pass  
The questions you will never ask  
Your regrets will haunt you  
You know I never had to

But I'm saving myself from you  
And did you notice anything?  
The change is me  
Now it's safe to say  
You will never change your ways

I went to your house  
But you weren't home  
I'm sure you conveniently shut off your phone  
I don't think that I'll ever be  
The person that you want of me  
When all that I can think about  
It's you I have to figure out

But I'm saving myself from you  
And did you notice anything  
The change is me  
Now it's safe to say  
You will never change your ways  
You would give up anything  
To prove your point  
There's nothing left to say  
You will never change your ways

I'm saving myself from you  
Yeah I'm saving myself from you

All dressed up  
And nowhere to go  
I think I'm taking this trip alone  
Did you notice anything?  
That changes me?  
Now it's safe to say  
You will never change your ways  
You would give up anything  
To prove your point  
There's nothing left to say  
You will never change your ways
