Dirty Dancing

New Kids on the Block

Wasn't into dancin', forget about romancing Cause I already got a lady Wasn't tryin' to be flirty, wasn't feeling dirty 'Til this shorty started runnin' on me

With her itty-bitty waist and her pretty pretty face And the leanest, meanest, badest, badest body Didn't have no time to waste, she was looking for a taste And she was wanting me to party

Oh, it's so crazy, she's like Baby, I'm like Swayze I'm said, oh, and I'm burning up So, lets turn it up, I said turn it up now

R: She's dirty dirty dancing, dirty dancing on me She's dirty dirty dancing, dirty dancing on me She's dirty dirty dancing, dirty dancing, dirty dancing on me She's dirty dirty dancing, dirty dancing on me

Now, I ain't looking for no drama, I don't want karma cause my baby sittin' in bed at home She know that I be lying and that I be trying To be trying to get this shorty with me all alone

Pretty pretty lips and her big 'ol hips It's getting hotter when she touches me with her fingertips And her sexy eyes and thembig 'ol thighs It's getting hotter like the block up in the summertime

Oh, it's so crazy, she's like Baby, I'm like Swayze I'm said, oh, and I'm burning up So, lets turn it up, I said turn it up now

R:

Now, I know that my girl is alone And she's been blowing me up on my phone But I can shower when I get back home Cause tonight I'm dancing dirty, yeah'
