New Kids on the Block

Happy Birthday

Happy Birthday to you This is your day On this day for you We're gonna love you in every way This is your day, your day Happy birthday to you, to you

Happy birthday to you You're still young Age is just a number Don't you stop having fun This is your day, your day Happy birthday to you , to you

This day only comes once every year Because you're so wonderful With each and every thing you do Hey

Happy birthday to you This is your day On this day for you We're gonna love you in every way This is your day, your day Happy birthday to you, to you

This day is only for you 'Cause you're so special in every way Happy birthday to you
